GENERAL INFORMATION

SCOUTING:	November 1 – November 18 during normal park hours.
REQUIRED LICENSE:	The managed hunt license is not a stand alone license. Each hunter must also purchase a valid deer hunting license for a regular season (firearm, combo, archery, or antlerless).
MANDATORY CHECK IN AND OUT:	All hunters will be required to check in and out at the permit booth at the main entrance to the park.
FIREARMS:	Same as statewide regulations.
PERMITS:	Permits will be issued to you upon check-in. You must carry your issued permit with you during your hunt period.
LICENSE AND PERMIT RETURNS:	The managed hunt permit and any unused licenses must be returned upon leaving the park. Failure to return unfulfilled licenses on time will result in ineligibility for future permits. Deer hunters having any outstanding licenses for any of the 2006 managed hunts will not be eligible for managed deer permits in 2007.
PORTABLE BLINDS:	Only portable blinds are allowed. Ground blinds of down dead material are not allowed.
TREE STANDS:	Not allowed.
DEER CHECK:	Hunters are required to check harvested deer at the permit booth located at the main entrance to the park. Biological data will be collected to improve our deer management program.
BAITING:	No baiting is allowed.
HUNTABLE SPECIES:	Antlerless deer only! All other hunting licenses are invalid for this hunt.
BUTTON BUCKS:	Hunters are encouraged to carefully look at antlerless deer before shooting to minimize the chance of harvesting a button buck or young male. This hunt is designed to manage the deer population in the park. Harvesting an adult doe is the best way to accomplish this management.
SHOOTING HOURS:	½ hour before sunrise to ½ hour after sunset. Hunters will be allowed in the park one (1) hour prior to shooting hours and must leave the managed hunt area by 1 ½ hours after shooting hours.
HUNTER ORANGE:	Follow statewide regulations. All hunters will be required to wear appropriate amounts of hunter orange.
SPECIAL ASSISTANCE:	Those hunters needing special assistance due to a disability or special circumstances may be allowed to have an individual join them on the hunt. Only the permit holder will be allowed to carry a firearm. Each case will be handled on an individual basis.
SAFETY:	The park will be open to other visitors during the hunt who may not be wearing hunter orange.
GUT PILES:	Gut piles will not be left within 50 yards of established trails.
